

## Meeting Needs Over the Holidays

**February 2, 2015**

This winter, PCA's plant in Vincennes, Indiana, participated in a charity project for the nearby Evansville Rescue Mission.

The plant donated 1,600 boxes which were then packed with turkey and other delicacies to help local needy families celebrate the holiday season. PCA Vincennes, as well as one of the plant's largest customers, was proud to provide boxes and food; however, they also rolled up their sleeves and helped pack the boxes at the mission.

According to the PCA Vincennes General Manager: "We wanted to share with our local community, keeping true to the PCA goal of social responsibility. We were more than happy to participate."
